PRESENT,

The KING's Most Excellent Majesty.

Lord President.

Earl of Desart.

Lord Chamberlain.

Sir Maurice de Bunsen.

Sir Authur Griffith-Boscawen.

Captain Frederick Guest.

WHEREAS at Versailles, on the 28th day of June 1919, a Treaty of Peace with Germany (hereinafter referred to as "the Treaty") was signed on behalf of His Majesty :

And whereas it was provided in the Treaty that the property of German nationals within the territory or under the control of an Allied or Associated State might be constituted a pledge for enemy liabilities upon the conditions laid down in the Treaty :

And whereas by the Treaty of Peace Act, 1919, it was provided that His Majesty might make such appointments, establish such offices, make such orders in Council, and do such things as appeared to Him to be necessary for carrying out the Treaty, and for giving effect to any of the provisions thereof :

And whereas by Treaty, grant, usage, sufferance, or other lawful means and by Decree of His Highness the Sultan of Egypt, His Majesty has power and jurisdiction in Egypt :

And whereas there is now in Egypt certain property of German nationals under the control

of His Majesty, and it is expedient to make provision for charging such property with the payment of the liabilities for which it may be constituted a pledge by the Treaty in the manner hereinafter provided :

Now, therefore, His Majesty, by virtue and in exercise of the powers in this behalf by the Foreign Jurisdiction Act, 1890, or otherwise in Him vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows :—

1. All property, rights and interests in Egypt belonging to German nationals at the date when the Treaty comes into force (not being property, rights or interests acquired under any general licence issued by or on behalf of His Majesty) and the net proceeds of their sale, liquidation, or other dealings therewith, so far as such property, rights and interests or such net proceeds are vested in or otherwise under the control of the Custodian of enemy property or other British authority under the Trading with the Enemy Acts or the Trading with the Enemy Proclamations issued from time to time by the General Officer Commanding-in-Chief the British Forces in Egypt, are hereby charged :—

(a) First, with payment of the amounts due in respect of claims by British nationals with regard to their property, rights and interests, including companies and associations in which they are interested in German territory, or debts owing to them by German nationals, and with payment of any compensation awarded by the Mixed Arbitral Tri-

bunal or by an arbitrator appointed by that Tribunal in pursuance of paragraph (e) of Article 297 of the Treaty, and with payment of claims growing out of acts committed by the German Government or by German authorities since the 31st July 1914, and before the 4th August 1914.

(b) Secondly, with payment of the amounts due in respect of claims by British nationals with regard to their property, rights and interests in the territories of Austria-Hungary, Bulgaria, and Turkey in so far as those claims are not otherwise satisfied.

Provided that any particular property, rights or interests so charged may at any time, if the High Commissioner thinks fit, be released from the charge so created.

2. In the application and enforcement of the charge created by this Order the claims of or debts owing to British nationals resident or carrying on business in Egypt shall enjoy priority over the claims of or debts owing to other British nationals.

3. All decisions of the Mixed Arbitral Tribunal constituted under Section VI. of Part X. of the Treaty, if within the jurisdiction of that Tribunal, shall be final and conclusive, and binding on all courts.

4. For the purpose of enforcing the attendance of witnesses before the Mixed Arbitral Tribunal, whether sitting in Egypt or not, and compelling the production before the Tribunal of documents, the High Commissioner shall have power to issue orders which shall have the like effect as if the proceedings before the Tribunal were an action in the Supreme Court, and the order were a formal process issued by that court in the due exercise of its jurisdiction, and shall be enforceable by that court accordingly, and disobedience to any such order shall be punishable as contempt of court.

5. Sections IV., V., and VI. of Part X. of the Treaty relating to property, rights and interests, to contracts, prescriptions and judgments, and to the Mixed Arbitral Tribunal, and all provisions of the said Treaty affecting or relating to the charge created by this Order shall have full force and effect as law.

6. The time at which the periods of prescription or limitation of right of action referred to in Article 300 of the Treaty shall begin again to run shall be at the expiration of six months after the coming into force of the Treaty, and the period to be allowed within which presentation of negotiable instruments for acceptance or payment, and notice of non-acceptance or non-payment or protest may be made under Article 301, shall be six months from the coming into force of the Treaty.

7. Rules made during the war by any recognised Exchange or Commercial Association providing for the closure of contracts entered into before the war by an enemy, and any action taken thereunder are hereby confirmed, subject to the provisos contained in paragraph 4 (a) of the Annex to Section V. of Part X. of the Treaty.

8. The power under the Egypt Order in Council, 1915, to make King's Regulations, shall extend to the issue of regulations for the purpose of enforcing the charge created by this Order, and for making such arrangements as

may be required for establishing and assessing the claims and debts for the payment of which the property charged is rendered liable, and for the payment, in whole or in part, of the sums due.

9. In this Order the term "British nationals resident or carrying on business in Egypt" means persons who are subject to the Egypt Order in Council, 1915, and who are so resident or carrying on business.

10. The Treaty of Peace Order, 1919, shall not apply to Egypt except so far as may be consistent with the provisions of this Order or of any Proclamation issued by the General Officer Commanding-in-Chief the British Forces in Egypt, or with any rules or directions given thereunder.

11. This Order may be cited as the Egypt (Treaty of Peace) Order in Council, 1920, and shall be read as one with the Egypt Order in Council, 1915.

12. This Order shall be deemed to have had effect as from the date when the Treaty of Peace came into force.

It is desirable that the Objections should state precisely, and so far as possible with reasons, what is objected to.

Dated this Fourth day of February, 1920.

Signed by Order of the Trade Board.

F. POPPLEWELL,
Secretary.

Office of Trade Boards,
Old Serjeants’ Inn Chambers,
5 Chancery Lane, London, W.C. 2.

It is provided by the above-mentioned Regulations that:—

Every Occupier of a factory or workshop or of any place used for giving out work to out-workers shall, on receipt of this Notice, post up and keep posted up a sufficient number of true copies thereof in prominent positions in the factory, workshop or place used for giving out work, in such a manner as to ensure that in each case the Notice shall be brought to the knowledge of all workers employed by him or on his premises who are affected thereby. Penalty for non-compliance, a fine not exceeding 40s.

Under the Trade Boards Acts, 1909 and 1918, it is provided amongst other things that:—

1. Where any minimum rate of wages fixed by a Trade Board has become effective, an

employer shall, in cases to which the minimum rate is applicable, pay wages to the person employed at not less than the minimum rate clear of all deductions, and if he fails to do so shall be liable on summary conviction in respect of each offence to a fine not exceeding twenty pounds and to a fine not exceeding five pounds for each day on which the offence is continued after conviction therefor.

In the foregoing provision, the expression “deductions” includes deductions for or in respect of any matter whatsoever (other than deductions under the National Insurance Act, 1911, as amended by any subsequent enactments or deductions authorised by any Act to be made from wages in respect of contributions to any superannuation or other provident fund), and notwithstanding that they are deductions which may lawfully be made from wages under the provisions of the Truck Acts, 1831 to 1896, and where any payment being a payment authorised to be received by an employer under Section I., Section II., or Section III. of the Truck Act, 1896, is made by any employed person to his employer, the employer shall, for the purposes of the foregoing provision, be deemed to have deducted that amount from wages.

On the conviction of an employer for failing to pay wages at not less than the minimum rate to a person employed, the Court may by the conviction adjudge the employer convicted to pay, in addition to any fine, such sum as appears to the Court to be due to the person employed on account of wages, the wages being calculated on the basis of the minimum rate, but the power to order the payment of wages under this provision shall not be in derogation of any right of the person employed to recover wages by any other proceedings.

2. If a Trade Board are satisfied that any worker employed, or desiring to be employed, in any branch of a trade to which a general minimum time-rate, a guaranteed time-rate or a time-work overtime rate is applicable is affected by any infirmity or physical injury which renders him incapable of earning that minimum rate, and where the worker is not already employed on piece-work, are of opinion that the case cannot suitably be met by employing him on piece-work, the Trade Board may, if they think fit, grant to the worker, subject to such conditions, if any, as they prescribe, a permit exempting the employment of the worker from the provisions of this Act relating to the payment of wages at less than the minimum rate, and, while the permit is in force, the employer shall not be liable for paying wages to the worker at a rate less than the minimum rate so long as the conditions prescribed by the Trade Board on the grant of the permit are complied with.

3. It shall be the duty of every employer in a trade to which a minimum rate is applicable, to keep such records of wages as are necessary to show that the provisions of this Act are being complied with as respects persons in his employment, and if he fails to do so, he shall be liable on summary conviction in respect of each offence to a fine not exceeding two pounds, and also to a fine not exceeding one pound for every day during which the default continues after conviction.

On any prosecution of a person for failing to pay wages at not less than the minimum rate,

it shall lie on that person to prove that he has not paid wages at less than the minimum rate.

Any agreement for the payment of wages in contravention of the provisions of the Acts shall be void.

4. An employer shall, in cases where persons are employed on piece-work and a general minimum time-rate but no general minimum piece-rate has been fixed, be deemed to pay wages at less than the minimum rate :—

(a) In cases where a special minimum piece-rate has been fixed under the provisions of this Act for persons employed by that employer, if the rate of wages is less than that special minimum piece-rate ; and

(b) In cases where a special minimum piece-rate has not been so fixed, unless he shows that the piece-rate of wages paid would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the basis-rate.

For the purpose of this section the expression "basis-rate" means the general minimum time-rate or, where a rate (*i.e.*, a "piece-work basis time-rate") has been fixed by the Trade Board for the purpose of being substituted for the general minimum time-rate as the basis-rate, the rate so fixed.

5. (1) Where a worker in any trade being a person to whom a minimum rate of wages fixed by a Trade Board applies, is an apprentice or learner, it shall not be lawful for his employer to receive directly or indirectly from him, or on his behalf or on his account, any payment by way of premium ;

Provided that nothing in the foregoing provisions shall apply to any such payment duly made in pursuance of any instrument of apprenticeship, not later than four weeks after the commencement of the employment.

(2) If any employer acts in contravention of this provision, he shall be liable on summary conviction in respect of each offence to a fine not exceeding twenty pounds, and the court may by the conviction, in addition to imposing a fine adjudge him to repay to the worker or other person by whom the payment was made the sum improperly received by way of premium.

6. For the purpose of calculating the amount of the wages payable in the case of a worker employed on any work for which a minimum rate of wages has been fixed under the principal Act, the worker shall be deemed to have been employed during all the time during which he was present on the premises of the employer, unless the employer proves that he was so present without the employer's consent, express or implied, or that he was so present for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform, and in the case of a worker employed on piece-work shall be deemed during any time during which he was so present and was not doing piece-work to have been employed at the general minimum time-rate applicable to workers of the class to which he belongs :—

Provided that :—

(a) where a worker resides on the premises of the employer he shall not be deemed to be employed during any time during which he is present on the premises by reason only of the fact that he is so resident ; and

(b) a worker while present during normal meal times in a room or place in which no work is being done shall be deemed to be present for a purpose unconnected with his work.
